

Instructions before filling out the application form:

1. Photo and Signature in jpg format:

- Provide a passport-size color photo (within 50 to 100 kb).
- Ensure signatures are in black or blue ink (within 20 to 50 kb).
- No accessories like caps or goggles are allowed in the photo except for power spectacles.

2. Document Formats and Sizes in pdf format:

- Upload all required documents.
- Keep document sizes between 200 to 800 kb.

3. List of Required Documents in pdf format:

- Date of Birth (DOB) certificate.
- Caste certificate.
- Physically handicapped certificate, if any.
- Educational Qualifications:
 - High school/secondary school degree/certificate.
 - Graduation and post-graduation degree/certificate.
- If Ph.D. awarded, upload the Ph.D. degree/certificate.
- If applicable, provide proof of research experience.
- Candidate may include a resume.

4. Publications Metrics in pdf format:

- For candidates with publications, upload the best five publications.
- Calculate metrics related to publications (number of authors, impact factor, journal name, etc.)

5. Technical Specifications :

- Ensure all documents adhere to the specified sizes and formats.
- Check technical requirements for the online application platform.

6. Deadline:

- Be aware of the application deadline and submit well in advance.
